Come experience the Heart-Centered energy modality called Ama Deus (A.D.) in the idyllic setting of a horse farm. Similar to Reiki, A.D. balances the energy of your body to allow the healing to occur. In addition, A.D. offers specific energy to your heart or eyes; or if you need assistance with mental blocks or are seeking unknown information.

Take this rare opportunity to experience the A.D. flow while in a relaxing farm setting. Crystals and A.D. energy-charged stones will be available to amplify the energy, or bring your own stones.

Linda will be wearing a mask; non-latex gloves if requested. A.D. can be sent from a distance that is more comfortable for the client.

**Practitioner :** Linda Catterson, is a a level-two Ama Deus (A.D.) practitioner and Reiki Master Teacher. Linda has been giving energy treatments to humans and animals for ten years. She specializes in working with people that have cancer, multiple sclerosis, or substance abuse.

**What is AMA-DEUS?** AMA-DEUS is an energy healing method. This method, like any technique that is used to access the Universal Source, is a spiritual practice of using energy for healing. As we begin to recognize that "we are more than what we perceive," this understanding takes us to a new perspective of "soul." There is more to us than is seen by the physical eye. There is no separation of the material world and the world of spirit. It is only our perspective that creates the illusion of this separation. If we change the perspective a whole new world emerges.

*Ama-Deus healing method is healing from a whole or soul perspective. Ama-Deus is a spiritual practice accessing a stream of consciousness that is Love. Ama-Deus or Love is a tool that works to enhance our growth*
