

# *Horse Power Healing Center, Inc.*

## *Volunteer Training*

*Saturday, June 16, 2018 3:00pm -4:00pm*

*(Weather permitting)*

**RSVP please if possible but not required to attend.**

We need your Volunteer support to help us be able to offer Therapeutic Riding lessons.

For each lesson, we need two people to walk along side the horse and a person to lead the horse. We also need people to help get the horses ready for the lesson.

Knowledge of children and adults with special needs or horses is not necessary to begin volunteering. Horse Power Healing Center is committed to our volunteers and will provide training in the necessary safety practices and skills needed.

If you can not make it to our training session please contact us to make special arrangements.
