Our Mission

Motivated by the tragic events of "9/11" and the heroic acts that followed, at home and abroad, Horses4Heroes was created in 2006 to say "thank you" to the men and women whose daily sacrifices keep us safe and free by making it possible for their family members to ride a horse.

A Las Vegas-based non-profit, 501(c)(3) corporation, Horses4Heroes is an able-bodied horseback riding program for the families of the heroes in our communities: military personnel and Veterans, firefighters/EMTs, law enforcement officers, critical care, pediatric and hospice nurses, special education teachers, and others.

"Children that have parents deployed might need a friend. There are some good friends and there are bad friends but the best friend in the world is a horse."
