Come experience the unique healing power of a Horse Healing Circle. Sit quietly in nature and reflect as a highly intuitive herd of horses work to heal you physically, mentally and spiritually.

\*Smudging ceremony and optional hands-on healing provided.

\* Linda will share messages from the Universe and Jill will share messages from the horses.

No prior horse experience is necessary and no horse riding is involved. The horse facilitators have years of experience in gently and safely guiding participants at their personal level of comfort.

## **FACILITATOR , LINDA CATTERSON**

Linda Catterson, Shamaness, Reiki Master/Teacher and Ama Deus Practitioner.

For over 13 years she has been a healer of animals and humans.

She will prepare the human group to relax enough to receive healing from the horses to occur.

## **FACILITATOR , JILL KWIATKOWSKI**

Jill has been Reading Tarot and Auras for 30 years and in the past couple of years has expanded her abilities to include Animal Communication. In addition to her work with Aura Reading and Animal Communication, Jill has been connecting with the heart-centered horses of Horse Power Healing Center (HPHC) as they work remotely to heal and to give messages from the Universe.
