

Fundraising Challenge

The Kettle Moraine Equine Lions Club (KMELC) is challenging other Lions clubs to donate toward the purchase of a wheelchair accessible carriage for Horse Power Healing Center (HPHC).

The cost is \$8700.00 for the carriage and harness.

The wheelchair accessible carriage would make it possible to provide lessons to people who are not able to ride due to weight, balance, fatigue and/or the ability to sit astride.

Donations of \$1000.00 or more will have the club name listed on a plaque on the carriage. Plus club name in publicity materials and on the HPHC website.

Other donations will be listed in publicity materials and on the HPHC website.

**Many THANKS to our first donor
Hales Corners Lions Club**

Benefits

Therapeutic driving lessons are specifically tailored to each individual's abilities and goals in mind. Therapeutic driving leads to:

- Development of bi-lateral movement and planning skills
- Improvement in posture and spatial orientation
- Positive impact on communication skills and self-confidence
- Development of motor skills, as well as hand-eye coordination and stability

TESTIMONIAL: "I have been driving for 30 years. Seven years ago I joined the Shining Stars as a volunteer and it has been a most satisfying experience. Working with the students, senior citizens, and veterans has been the highlight of my driving career."
